**Meeting Agenda**

Review conversation of Select Board about boiler pumps at Swift River School. Pumps at cost in the facilities guy estimate but must have labor....\$19,500 for both. Half to each town. 15-20 year life on the pumps.

New Salem SB Committed \$10,000 in ARPA funds for pumps at swift river school

SB voted to use ARPA grant funding so no vote needed by FC.

FC recommends Kathy Neal and Kelley Sullivan work together to get the Water Pollution Abatement Trust Grant for the PFAS remediation, saving ARPA for the boiler remediation.
